Principal's Message

CHARACTERISTICS OF A CHRISTIAN LEADER

CONTINUED...

So the Christian school leader is the School Principal. At the same time, and as the Bible says in terms of a teacher and a student relationship, "A leader cannot rise above the Board, and the Board cannot rise above its leader."

We consistently hear school leaders say that the role of the Christian school leader has changed dramatically over the past decade and that the expectations of Boards have changed, and priorities have shifted. This paper seeks to stimulate thought and create conversation so that School Board and Principal understand their respective roles, complement each other and serve well together. The purpose of this paper is not to answer every question or to suggest that any individual can be or can do all things. Neither is it intended to suggest that the prioritizing of characteristics will be the same for every Board or School community.

We seek to glorify God in all that we do. The school leader can not be all things to all people. No one person can possibly exemplify every desired characteristic. It must be recognized that grace and opportunity for growth are necessary in communities.

Visitors, sometimes, tell me 'I like the feeling of this place.' I agree with them and with the Australian Secondary Principals Association's comments in the Australian Newspaper, January 14-14, 2017 page 39 Education professional.

"The best schools in Australia are those where a person can walk in and feel a positive vibe, which comes down to collaborative leadership...you can tell by the students, by the teachers, by the atmosphere in the school,...it is the conversation you have with the staff, with the parents, with the students as you go in; you know when they're performing well that it is a good school."

Of course, we know quite well that it is the work and the ministry of Jesus Christ working in the school.

Next edition we will examine the characteristics of a Christian School Leader as we understand it based on God's word, the Bible.

CLASSROOM NEWS

Making Bread Year 1

Last Thursday the Year one's made bread! The children have been learning about procedures and they carefully followed a recipe to make their own loaves of bread which were delicious. The children worked in groups with the help of their teachers to mix, knead and shape their dough, before it went into the oven and then into hungry tummies! After completing the procedure the children were then tasked with writing a recount to re-tell exactly what they did. It has been wonderful to see the beautiful way they work together but also the growing improvement and confidence in their writing skills.

CLASSROOM NEWS

Emmanuel Primary Wins Fifth Straight Title

It was a gorgeous Friday in Maida Vale, and our year 5 and 6 boys were warming up for their big day. They were invited to play in an interschool soccer carnival with teams from other Christian schools around Perth. Led by their coach and self proclaimed 'Guardiola of Girrawheen' Mr. C, the ECCS team were ready to face any opposition.

It was an overwhelmingly impressive display of teamwork by the boys, as they convincingly won every game and conceded only 2 goals throughout the whole day. After another convincing win in the grand final, the boys won Emmanuel's 5th straight title in the competition, despite being moved up a division.

Our ECCS boys were a classy bunch, showing a superb Christian and sportsman-like character in every match, while also showing a great deal of respect to the other teams, referees, and coaches. Well done year 5/6 boys!

HAT DAY

Thanks to the success of Hat day, the Emmanuel School Community raised a total of \$886.00 for Eagles Wings.

Eagles Wings (EW) is a grassroots organisation in Zambia, working directly with children, families and communities in a holistic manner.

The Education Program provides high quality schooling for 360 students from grade 1 to grade 12, taught by indigenous Zambians, as this approach brings sustainable and culturally relevant outcomes.

Opportunity to serve...

We are Jesus's hands and feet for one another so as part of that we are wanting to set up a bank of frozen meals for families in crisis in our Emmanuel community. We are asking if you would like to make a meal for a family that you place it in a disposable tray with the name of the dish and the date it was made and give it to Maria at the front office. Also if you know of a family that could benefit from this practical help please can you let Trudy Roberts (our chaplain) know on 041497856.
