Principal's Message

CHARACTERISTICS OF A CHRISTIAN LEADER (Part6)

So far we have considered that a Christian Leader is **Biblical, Authentic, Transparent, Community Oriented** and a **Communicator**.

6. RELATIONAL

Christian school leadership is a relational business. It is of critical importance for the Christian school leader to strategize and build positive, engaging relationship with students, parents, staff, community and church leadership even if it means stepping outside of his or her comfort zone. Relational leadership requires the soft skills of empathy, understanding, and compassion. At times it will require tough love, but with mercy and grace. Consistent, timely and clear communication is a mark of the relational leader. Every school has an internal and an external community. The internal community is staff and at Emmanuel the areas of Early Childhood, Primary School and High School, students, parents, and the School Board. The external community consists of churches, grandparents and supporters like Christian Schools Australia (CSA), Association of Independent Schools in Western Australia (AISWA), Department of Education Services (DES) that support Emmanuel Christian Community School. The external community includes businesses and people around the school who may or may not have a defined connection to the school. The effective school leader has the ability to discern the various communities and their makeup. The leader understands the importance of influencing the various communities to understand the mission of the school. The Christian school leader seeks to glorify God, through the school so its reputation within the community can hinge on the leader's ability to be an influencer. Done in a positive way, when the circumstances arise that may cause the school's reputation to be in jeopardy, the school will likely have many more advocates expressing support and encouragement.

7. FLEXIBILITY

The best laid plans must sometimes be set aside and at other times laid to rest. The organised to-do list for the day may remain untouched. An effective school leader is flexible. Priorities will often change because of circumstances both within and outside of the control of the school leader. An inflexible school leader will more likely than not look around and discover that there is no one following. The flexible school leader follows the example of the Good Shepherd. Even though 99 of the 100 were moving along with him obediently, he recognised that one was missing. His agenda was set aside. He left the 99 to find the one which was lost. Unspoken in the story of the Good Shepherd is the situation for the 99. There is no doubt that he did not leave them to be on their own. Had he done so, upon his return with the lost one, he would have found at least 50 more to be missing. While flexibly attending to the lost sheep, the shepherd would have left the 99 to be cared for by someone else. He would have communicated his plan and left instructions for the care of the flock. Flexibility does not mean flying by the seat of one's pants without proper planning or preparation. It means having the skills to adapt and adjust plans to fit unforeseen circumstances. The effective Christian school leadership understands the importance of flexibility and being flexible while exhibiting calm and confidence.

CLASSROOM NEWS

NAIDOC at Emmanuel.

ON Thursday 27th July we celebrated NAIDOC week at Emmanuel.

Students came in free dress in colours black, red and yellow (the colours of the Aboriginal Flag). Through Art and Story the students have been encouraged to learn more about Aboriginal culture and appreciate the history of Australia's first people.

At Casserley Campus, Kindergarten and Pre Primary students joined in with Years 1 and 2 for morning Bible reading, prayer and the national anthem. Former student, Phil Kickett gave an acknowledgment of country, spoke a little about his family and sang one of his own songs for us.

He visited the Salcott Campus to do the same for the students in Years 3 to 9.

Across the school, students are producing their own Aboriginal Art during Art lessons. In weeks 3 or 4 this artwork will be displayed in both campuses and the students and parents are invited on an 'Art Walk' to enjoy the art.

STAGE 2 DEVELOPMENT—CASSERLEY CAMPUS

Steady progress is being made on the Administration block of our new school. Due to be completed later in the year, this block will be the new home for a Library, Uniform shop, Canteen, Staff room, Main reception, sick bay and offices.

Recruitment for an additional receptionist is underway in preparation for 2018.

Refurbishment of classrooms at Salcott is also underway, with the old Year 2 classroom becoming a Science Classroom for High School.

With all these projects going on, we appreciate your patience and cooperation in this season of rapid growth. We acknowledge that none of this would be possible without dependence on the Lord.

CLASSROOM NEWS

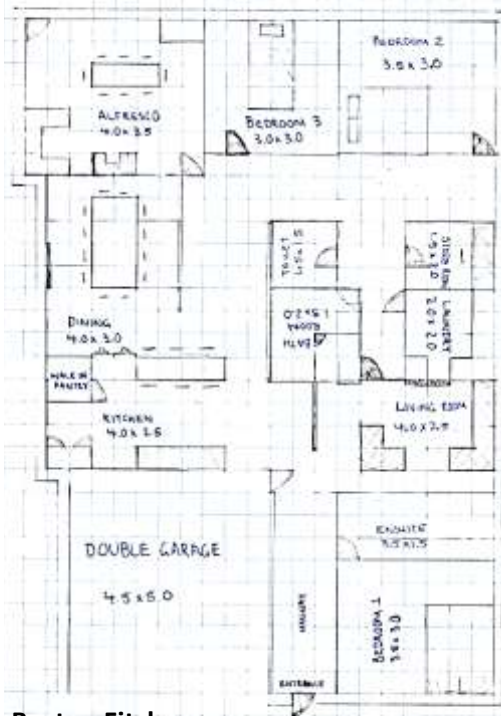

ARE YOU BUILDING A HOUSE?

Ask our year 9 stem experts for their plan

In term 2 the year 9 student as part of their STEM (Science, Technology, Engineering, Maths), were asked to draw a floor plan of a standard Australian house. They then researched into the scientific, cost effective, aesthetic reasons why they used the flooring they chose, to design the house.

Mrs C Selby

Boston Fitch

The Reason for each flooring selection by Boston Fitch

Laminated Flooring Walnut Antique 3 Strip

This flooring is relatively cheap and good looking. The flooring is great for stains, as mess and stains are easily cleaned off the floor. Another benefit of this flooring is that it wears out very slowly and isn't easily run down.

Black Marble Self Stick Vinyl Tile

These tiles are great for bathroom, the toilet and the ensuite. They are durable and last a long time. They are water proof which is crucial for areas that use lots of water.

Charcoal Ceramic Floor Tile

Charcoal ceramic floor tile for kitchen, the dining and the laundry area. It is a nice, dark rich colour for the house. The floor is easily mopped so stains are removed and are also waterproof which is again crucial for such areas in a house. These tiles are great for the house as they stand out and are very diverse but they are also extremely durable.

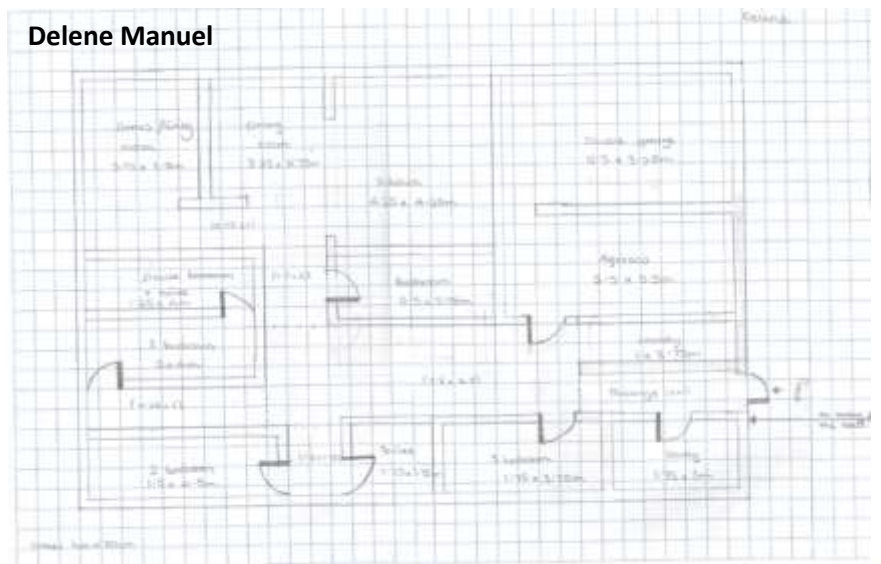

Jarraewood

Jarraewood will add a real modern yet rustic feel to the outdoor alfresco. The Jarraewood for the alfresco is extremely sustainable and durable for some of the harsh conditions of the outside environment. Although some may argue that it is extremely expensive, outdoor paving is generally expensive as it must meet certain standards and conditions for it to stay durable outside.

PRINCIPAL FOR A DAY

with Dr Anne Aly

On Wednesday 26th July, Dr Anne Aly came to our school as "Principal for a day". Dr Aly made her way through the K-2 classrooms at Casserley campus, taking part in classroom activities and sharing fruit time in Kindy. She then visited classes at the Salcott campus and shared with High school students.

It was a privilege to have Dr Aly at Emmanuel last week.

Year 2 students wrote letters to Dr Aly, thanking her for her visit to their class.

Dear Dr Aly,
Thank-you for coming to visit Emmanuel Christian Community School.

We Loved having you come to year 2. Thank you for letting us ask questions about the Pyramids and telling us the story of the mummies.

Thank you for telling us about your job. I enjoyed hearing that when your buzzers go off you have to run faster than a speeding bullet. If you miss it you will get in big trouble.

From
Patrick.

Dear Dr. Aly
Thank you for coming to visit us at Emmanuel Christian Community School.

We loved having you come to Year 2. Thank you for showing pictures of the pyramids with us. I loved seeing the pictures of the pyramids. Thank you for showing us the mummy.

From
Eashlan

Dear Dr Aly,
Thank you for coming to visit us at Emmanuel Christian Community school.

We loved having you come to Year 2. Thank you for showing us photos about the pyramids and the funny one of your husband.

I also liked hearing about your job. Thank you for telling us about mummies and thank you for telling us where mummies are buried.

EMMANUEL BULLETIN BOARD

Emmanuel are participating in Woolworths Earn & Learn program once again. Sticker books are available in the office (both campuses), and you can drop complete (or incomplete) booklets in to the boxes provided.

With over 10,000 educational resources to choose from, there's plenty of valuable resources up for grabs for your local school. They can choose across every category - from mathematics and English resources to arts and crafts, and science equipment.

Exciting new Term 3 rewards with a Future Savers theme are now available, while stocks last!

For every deposit made at school students will receive a silver Dollarmite token. Once students have individually collected 10 tokens they can redeem them for exclusive School Banking reward items in recognition of their regular savings habits. There are two new items released each term so be sure to keep an eye out for them!

School Banking is also a great fundraiser for our school. Our school receives \$5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of \$10 per individual deposit)

Thank you for supporting the School Banking program and remember, School Banking day is every Thursday
