Principal's Message

CHARACTERISTICS OF A CHRISTIAN LEADER (Part 8)

1. Biblical, 2. Authentic, 3. Transparent, 4. Community Oriented, 5. Communicator, 6. Relational, 7. Flexible, 8. Innovator...

9. MANAGER

The daily operation of the Christian school should be the responsibility of the school leader. In order to carry out responsibilities, management skills are an important characteristic of the effective leader. Those skills include the ability to organize, set workable structures in place, plan systematically, communicate clearly and in a timely manner, and meaningfully engage with staff and stakeholders. An important skill for the effective school manager is the ability to identify his or her own strengths. For example, not every effective leader is detail oriented. Recognizing such, the effective leader will find an administrative assistant or a vice principal who has the skill and can complement and support the work of the school leader.

The effective leader will be passionate about their calling, God's children, and education. The effective leader will have skills in educational leadership, financial planning and management, communication, and creating systems that move everything in a singular direction. The effective leader must be knowledgeable and competent in carrying out the mission of the school. Knowledge of educational leadership, student learning, best instructional practice, finance, and effective management procedures are essential. Knowledge is gained through continuing education, experience, and collaboration. The effective school leader continually seeks to improve by gaining knowledge and networking with those who are leading effectively in other Christian schools. Competency is equal to knowledge in importance. A competent leader has knowledge and skills. A competent leader is able to recognize problems and identify issues. A competent leader is skilled to discern and identify strategies to address situations which arise in timely and effective ways.

10. STRATEGIC THINKER

Those who govern Christian schools face the challenge of guiding the school to a sustainable future. The school leader is one who is able to create the roadmap and to guide the school along the pathway in the direction to which God is leading them. The leader will be able to build upon the roadmap as he or she engages key stakeholders in the strategic vision for the school. Articulating the strategic vision will be a key component to raise the funds that will be needed to carry forward the vision.

EMMANUEL EVENTS

Governor's Prayer Breakfast

The Governor's prayer breakfast was a unique experience that I will never forget. One of my favourite parts was the inspiring message by Jason Wong. My speech by Jason Wong, his yellow ribbon project was one of the most amazing movements I have ever heard of.

Isaac Burgis

Being able to go to the Governor's prayer breakfast was a great privilege, especially hearing the message by Jason Wong. My favourite part of the breakfast was hearing about the yellow ribbon project, and also hearing stories from inspirational people.

Karen Cha

Father's Day Breakfast

At 7:30am on Friday 1st September lots of fathers enjoyed a bacon & egg roll with their children.

Mr Singeorzan cooked the bacon & eggs, Mrs Singeorzan, Mrs Bui Sutanto & her helpers set up the hall and served all the families.

Thank you to all the fathers and special men who attended with their families. Thanks also to the parent group (EPG) who did all the work. We appreciate the special morning you provided.

I feel very privileged to have been chosen to go to the Governor's prayer breakfast. I thoroughly enjoyed the morning, listening to inspirational people! I was very moved to see so many Christians gather together.

Jemima Roberts

It was a very nice experience at the Governor's Breakfast. My favourite part was the breakfast.

Daniel Davies

Year 6 Camp

On Friday 14th September our Year 6's and a team of dedicated helpers departed for Camp. They will spend the whole week in Busselton, taking part in many fun-filled activities, as well as being challenged about the Christian walk of Faith. We pray for safety and a memorable time until they return on Friday.

CLASSROOM NEWS

Kindy Year 4

On Monday the Year 4 children and Miss Riddle warmly welcomed the Kindy Kangaroos into their classroom. The Year 4 children had made dioramas about the Australian Aboriginal people and the Kindy children were keen to learn as much as they could. The Kindy children walked around looking at all the wonderful creations but mostly enjoyed talking to the Year 4 children.

CLASSROOM NEWS

Year 3

The wonderful Year Threes made lots of different slices that look good. We sold them outside our class and it was fun. We were selling them because we want kids in Zambia to go to school like us. We made slices all day and the next day we sold them. Nearly everyone came. Some people made more slices at home or bought them from the shops and brought them to school to sell as well.

In class Mrs Neaves made LCMs. The we got to make them . We boiled water in the kettle, then we put the water in a big bowl. We put a smaller bowl on top of it with some marshmallows and butter in it. Then we waited for the heat of the water to transfer to the bowl with the butter and the marshmallows in to melt. We then poured the hot mixture into the Rice Bubbles then pressed the mixture into a tray.

It was fun making the slices and selling them. There were so many slices that we still had some left, so we sold them the next day with the help of some Year Six students.

SLICE SALE FUNDRAISER SUPPORTING EAGLE'S WINGS

Students in year 3W have had an interesting learning journey in HASS (Civics and Citizenship) and Bible. As they were learning about:

- ◆ how to make a difference in the world around them
- ◆ how to help others in the community
- ◆ how to serve with a godly heart

they were presented with a need by Miss Vallejos who told them about children who couldn't afford to go to school in Zambia.

Students responded by examining a number of ideas before creating a solution – a fundraiser making slices to sell to the rest of the school to raise money for Eagle's Wings, a charity which works with such families.

Students

- ◆ Identified the need
- ◆ Created a solution
- ◆ Did market research by checking who likes what kind of slices
- ◆ Enlisted families to purchase ingredients and make slices
- ◆ Learned customer service skills
- ◆ Food handling skills

With support of class family: Mrs Neaves and 3N, Mrs Bonnie Hunt, Mrs Paweena Cha and Miss Mary Maira along with Mrs Josie

Wiegand, Mr Tim Wiegand and Mrs Tamika Wiegand, students:

- ◆ cut
- ◆ melted
- ◆ grated and
- ◆ grinded

making enough slice for the whole school!

We also received a very generous donation from the darling ladies in the Girrawheen Baptist Church Craft Group – thanks so much ladies – your \$30 helped purchase our ingredients. Also Woolworths Alexander Heights kindly gave \$30 in a gift card for ingredients! Thanks Declan!

The Eagle's Wings Slice

Sale earned \$420 which was a cracking effort! They saw a problem and responded with the eyes of Christ. With the help of year 6 selling leftovers, funds raised came to **\$561.10!!** Congratulations on a job well done!

CLASSROOM NEWS

Year 5

The Year Five Colonial Picnic

YEAR FIVE ASSEMBLY

A few weeks ago, the Year fives had their assembly. It was about the Lyin' King not Lion King. It was when Andrew (Main character) lies about not bringing in the stuff he was supposed to bring to school or to his friends.

It was funny, interesting and embarrassing for lots of the characters and some of the teachers.

At the end there was a video of us being animal the wrong assembly the lion king, and then we had the names of the people in the assembly. It was very fun doing it and acting. I felt like I could do the whole play again.

My favourite part was when Kevin and Johnny turn around and talk to each other about how Andrew lies so many times and Kevin's part was "yeah, but he didn't even say he was sorry", and then the Boy Band came on.

Banjo Fitch

It was the second time I arrived at school, there were olden day games set out on the grass area, the games were elastics, knuckle bones, badminton, quoits and so much more!

We got called by Mr Pirie to go to the undercover area and told us the rules for the game we were about to play: The horse game. We had to go on pretend horses and do a relay and see who was the fastest team, the orange team won.

Mr Pirie was side tracking us while Elizabeth McCarthur (Miss Ashmore) was getting ready to introduce herself, she came out in a beautiful dress with a wide brimmed hat and lace gloves. We all had to introduce ourselves to her.

There was also a bushranger who tried to steal our dinner, and a convict and soldier. The convict escaped and was taken away to be "flogged"

After that we finally had dinner we had bread rolls with meat and vegetables, we also tried Kangaroo Burgers. When everybody finished we did a bit of bush dancing, after seconds of course. It was so complicated for an easy dance! We

found it so fun!

The last thing we did for the night was have desert, which was pavlova, lamingtons and fresh fruit. It was delicious!

We thanked all the helpers that made the night happen it was a delight!

CLASSROOM NEWS

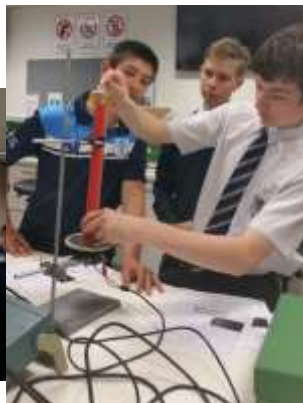

Year 9 trip to Edith Cowan University Joondalup

—Mrs Selby

LabRats is a community engagement initiative for secondary school students conducted at Edith Cowan University's Joondalup Campus. This annual event provides an opportunity for students to visit the campus and participate in several hands-on science workshops.

This event was held on **18 September, during school hours**. The year 9 student were given the wonderful opportunity to take part in the LabRats program.

The students attended workshops on Speech Pathology, Adventures in Physics and Making IT with Science. The students were thoroughly engaged and enjoyed every minute of it, especially the pizza lunch.

“ECU was such a great experience. One that opens up the mind of students and offers them an opportunity to think about their future.”

Boston Fitch.

Spaghetti and Marshmallow tower

STEM –
Year 7

To finish term 3 in a fun and exciting way the Yr. 7 students in their STEM class had the challenge of building a tower using marshmallow and spaghetti. They soon found by trial and error that a strong tower needs a strong base. It was marshmallowy challenging.

Asthma Australia

Thunderstorm Asthma

The devastating thunderstorm asthma event in Melbourne during last year's pollen season highlighted the risk for people with underlying breathing conditions. People with asthma and hay fever were particularly vulnerable. Asthma Australia has worked closely with the authorities in Victoria and now provides a thunderstorm asthma module in their online training so school staff can be prepared for such an event should it occur in school time. You can help by ensuring your child's Asthma Plan is up to date and the school has an in-date blue reliever puffer and spacer for them in case of an emergency.

Asthma Kids

Looking for a way to help your child understand more about their asthma or about a friend with asthma? Asthma Kids is an online, interactive tool to help primary school aged children understand what it's like to have asthma and what they can do to help. Check it out at asthmakids.org.au
