PRINCIPAL'S MESSAGE

Dear Parents, Carers and Families of Emmanuel,

It has been some time since our last newsletter! We have had some obvious and significant disruptions to the normal school routine due to the COVID-19 pandemic. There has been a large amount of correspondence, but it was mainly in relation to the schools response to the COVID-19 crisis.

Following the advice of the Chief Medical Officer and State Government guidelines there was a stepped and measured return of students to Emmanuel in Term 2. In the last two weeks, under strict hygiene and cleaning conditions we have returned to full attendance and face to face teaching.

Emmanuel Christian Community School is certainly not back to normal as yet as many restrictions are still in place. We do however remain alert and ready to be responsive to any issue that may arise.

I wish to thank the staff of the school for their tireless work and dedication over these last months as we have managed this crisis together. I also wish to thank all the Emmanuel families for their patience as we worked our way

continue on next page

Principal's Message continued

through this unprecedented global pandemic. Together with God's help and faithfulness we have endured this hardship which will be with us for some time.

The Bible is a very real book with very real people experiencing many situations of great hardship that are recorded for us to read today. There is no 'glossing' over of the difficulties and suffering that these people experienced. We get a sense that God does not say there will be no hardships if we choose a life with Him, but that He will be with us in and through those hardships.

In the book of Lamentations, Jeremiah was emotionally exhausted. Jerusalem had been captured. The Israelites were in exile. Everything Jeremiah held

sacred had been destroyed.

Certainly the faithful love of the LORD hasn't ended; certainly God's compassion isn't through! They are renewed every morning. Great is your faithfulness. I think: The LORD is my portion! Therefore, I'll wait for him."
Lamentations 3:22-24 (CEB)

Maybe we can relate to some of these tragedies in the midst of the COVID-19 pandemic: Many in the community have had their financial stability compromised due to a change in employment conditions. Many are worried about the future and are emotionally exhausted.

What does Jeremiah do in this situation? ***He refocuses on five truths about God that helped to refuel him in the midst of his***

exhaustion.

In Lamentations 3:22-24, he remembers:

- God's **steadfast love**
- God's **unfailing mercy**
- God's **faithfulness**
- God's **kindness**
- God is my **hope**

When life overwhelms us, we should not focus on our problems and give in to despair but we should **focus our attention on God**. When we build our lives around these character traits of God we are ready for whatever setback comes our way.

Gary Harris
Principal

“A Christian Community Must Reflect the Nature of God”

NO RIGHT TURN!

SCHOOL BANKING PAUSED

Message from Commonwealth Bank Head of School Banking

Following the recent easing of Coronavirus restrictions, we are currently assessing options to resume our School Banking program. The health and safety of our communities and our people remain our priority and so we have engaged the Principal of your school to complete a short survey to help provide further insights to help us with this decision. Each state is different and some schools are still operating with a mixture of home schooling and face to face learning which creates further challenges in resuming the program.

Please feel free to discuss this survey with your own School Principal to help provide valuable insights to assist us. After we receive the survey results, we will look to communicate with all parties regarding the recommencement date of the program. Until that time, the School Banking program will remain on pause.

Our School Banking Helpdesk remains available on **1800 674 496, Monday - Friday 9am-5pm Sydney time** should you have any questions.

CHILDREN UNWELL

As the days get shorter and the nights get colder, even the best of us can get a little down. With Covid-19 still ongoing, the severe flu strain usually comes during the cooler months too. So let's ensure that our kids stay healthy this coming winter months.

If your child is sick with cold, flu or tummy upset, please ensure they rest at home until they are completely well. Children who come back still heavily affected by their illness can't concentrate and infect other students.

A child who becomes unwell whilst at school will be given the best possible care. HOWEVER, if your child is unable to continue with the normal school routine after care and rest, you will be required to collect the child or have a friend or relative do so. The School is not able to nurse or supervise an unwell child for an extended period of time.

STUDENT ATTENDANCE

Please go through your pantry and if you can spare one or two items that you would like to donate to go towards this worthy cause, please bring them to the office at both Casserley & Salcott Reception and we will pack them to give to these families in times of need. We will have a box at both Campus reception where you can drop your donations.

Every grocery item you donate no matter how big or small will make a HUGE difference to the lives of those who will receive them in our local community.
