PRINCIPAL'S MESSAGE

Dear Parents, Carers and Families of Emmanuel,

As we move into phase 4 of the lifting of COVID-19 restrictions in WA we can give thanks to God that we seem to be over the worst of this pandemic. It has been a particularly tough time for a lot of people in the community and especially as we look at what is happening in other countries. The economic costs is likely to last for much longer. During

difficult times we often wonder if God can use these times for good.

None of us are exempt from suffering, loneliness, discouragement, or unjust criticism. Why? Because those are things Jesus experienced. When we experience them too, it's an opportunity for God to develop the character of Christ in us.

Does this mean God causes tragedies? No. God is good, and he will not cause evil or do evil. But God can use dark and stressful times, like COVID-19, for good. He can use our current troubles to teach us to trust him, to show us how to help others, and to draw us closer to other believers.

The Bible says in 2 Corinthians 4:8-9;

"We are pressed on every side by troubles, but we are not crushed.

Principal's Message continued

We are perplexed, but not driven to despair. We are hunted down, but never abandoned by God. We get knocked down, but we are not destroyed" (NLT).

So, what should we do when we are going through difficult times?

First, we should refuse to be discouraged. Then, we should remember God is with us. Finally, we should rely on God's protection and guidance. God's light shines even in the darkest shadows.

May God bless you richly over the term break.

Gary Harris
Principal

God's light shines even
in the darkest shadows.

KINDY: COLLABORATIVE ARTWORK

This term we have been learning about 'Creation', so we decided to paint things that God created onto our diggeridoo. The Koala class added Australian animals and the Kangaroo class painted suns using different coloured dots.

Mrs Joanna De Grauw
(Kindy Teacher)

Kindy Kangaroos and Kindy Koalas worked together to paint this cardboard tube and turn it into a diggeridoo.

TOOTH FAIRIES VISITS EMMANUEL

Just before the pandemic, 4 lovely tooth fairies came to visit Emmanuel and spent time in our Kindy, Pre-Primary and Year 1 classes. They came to do a presentation on how the kids can keep their teeth clean and healthy. There were dancing and singing and the fairies even showed the kids how to properly brush their teeth. Everyone including the teachers had fun.

MAG

Throughout Term 2 the students in MAG have been looking at procedural texts during their Literacy lessons. Students have written and carried out some of their own procedures. Last week they were challenged to working in pairs to 'Create a Gas'. They were given a procedure to follow, encouraged to remember all they had learnt about the importance of gathering all required materials and ingredients, and following the stated steps to ensure a successful outcome.

MARKETING NEWS

Meet the newest member of the Emmanuel family – **Mrs Belinda Cheung Sum Lam**.

Belinda is the new Marketing and Promotions Officer at Emmanuel and is here to help us put a structure to the school promotion activities. In the short term, she will focus on providing advice on:

- promotional activities involving
 - selected media platforms e.g., print and radio
 - social media strategy
 - external & Internal publicity
 - aligning promotional activities to school and community calendar
- school branding and identity

Belinda brings with her relevant promotion and administration experience culled from various industries. Her FB profile says she is a Wife, Mum, Lover of Life and a Child of the Big Man. Most importantly, she is a school parent and an alumna of our school – no stranger to the school.

As a previous student and parent I am very excited to share what we've been working on for the past couple of weeks!

In mid June we were invited to write about our school in the local Community Newspaper - I hope you were able to see it but if not here's the preview! (see photos)

This week we started working on a new promotional video for the school - it was a fun afternoon and the students did so well! They were a very impressive bunch and let me tell you those Kindy cuties deserve their own video some day! What a blessing to have the sunshine out just in time!

I look forward to all the exciting projects in the pipelines! Don't forget to follow us on **Facebook** and **Instagram**.

Belinda Cheung

Below are some snippets of what she is now currently doing in and around Emmanuel:

CHAPLAIN'S CORNER

FAMILY PANTRY APPEAL - A HUGE THANK YOU!

Thank you so much to all of you who have brought in non-perishable foods to go into our FAMILY PANTRY APPEAL. As you can see from the photo, we have had a great response.

Please contact our Chaplain or visit our reception if you need some food for your family or you know someone in our school community who has found themselves in difficult circumstances and we will be able to share this food with you.

Please continue to bring in any spare non-perishable foods you would like to share to the office so we can continue to help others.

Blessings,
Mrs Trudy Roberts (chaplain)

CHAPLAIN HOURS

Mrs Trudy Roberts is available on Monday, Wednesdays and Fridays.

Mr Chinyama Kangombe is available on Tuesday and Thursdays.

If you would like to come and speak with a chaplain or have your child speak with a chaplain please contact the administration staff and a time can be arranged.

PARENT PRAYER GROUP

This year we have had a number of powerful prayer times as we intercede on behalf of our school community. We also have been able to share prayer needs as they arise on our Parent Prayer group What's App. We would love to have more parents come and join us. They are always very encouraging. We would also welcome any prayer requests so that we can together lift our needs before our loving and powerful Father.

Parent Prayer group is held at **Salcott Campus every Friday in the church minor hall between 8:30 – 9:30am.**

If you would like to be part of our What's App group chat, for updated prayer needs of our community, please contact **Bianca Davies** on **0420 855 717.**

MOVE-GIRLS PROGRAM

Edith Cowan University is conducting research to investigate ways for girls to become more physically active and feel more confident to participate in sport, games and fitness.

We are offering a free, 10-week fun-based movement program called **Move-Girls** at the Joondalup campus.

Eligible participants will receive an initial assessment of their fundamental movement skills, fitness, physical activity levels and self-confidence. Results from the initial assessment are available to parents.

Following testing, girls will be randomly allocated into Group A or Group B. **Group A** will start the program in Term 3 or 4, 2020 and **Group B** will start the program in Term 2 or 3, 2021.

The 10-week program includes targeted activities (including movement skills, strength and fitness), as well as expert instruction and feedback in a fun and non-threatening environment.

The **Move-Girls** Program is an initiative of the Exercise and Sports Science Department, School of Medical and Health Sciences.

Where: Building 22, Edith Cowan University, Joondalup Campus

Initial assessment: July 2020

Program participation: Term 3 or 4 (2020) or Term 2 or 3 (2021) (Tuesday and Thursday 4pm – 5pm)

Who: Girls (8 to 11 years) who would like to improve their movement and sport skills, fitness, physical activity levels and self-confidence.

Cost: Free
