## PRINCIPAL'S MESSAGE

### God Uses Problems to Help Us Grow

***"These little troubles are getting us ready for an eternal glory that will make all of our troubles seem like nothing." 2 Corinthians 4:17***

God uses everything—even the pandemic we're in right now—to help our character grow. He uses problems to help us mature. James writes it like this:

***"My brothers and sisters, be very happy when you are tested in different ways. You know that such testing of your faith produces endurance. Endure until your testing is over. Then you will be mature and complete, and you won't need anything" (James 1:2-4).***

When Adam and Eve yielded to Satan's temptation, their action made this statement: *"God is not dealing fairly with us. He cannot be trusted."*

The goal of our salvation from sin is to completely reverse the effects of the fall, restoring in us the quality of trust. As we go through the various tests in life, may we never lose sight of God's end purpose: **to produce in us an unshakable confidence in God's absolute trustworthiness.**

We may feel tired and depleted right

**Principal's Message continued**

now because of how COVID-19 is affecting our lives and the lives of those we love. We are encouraged to look to God, to place our hope in Him, and to trust He is still in control.

He is a God of hope, and hope will not disappoint.

In Romans 8:28, the Bible teaches, **"We know that God causes everything to work together for the good of those who love God and are called according to His purpose for them"** (NLT).

Principal

## YEAR 7: COOKING BREAKFAST

The Year 7 students investigate, design, plan and produced their own breakfast. Following are a few photos of their work. These students learn more than just cooking. They learn to manage time and collaboration while organising their station and work. Well done to all for a successful lesson.

## YEAR 10: POETRY

The Year 10 students were working on 'Blackout Poetry' in English. The task included ripping pages from pre-existing books and repurposing them for poetry. They chose words, or strings of words, that stood out to them and formed their own meaning. Some even got creative and drew illustrations to match the theme of their work. This class has been proven to contain many poets in the making!

## SECONDARY SCHOOL FACTION CARNIVAL

The 5<sup>th</sup> annual Secondary House Athletics Carnival was held at Hainsworth Park on Friday 7 August. The day commenced with spectators treated to one of the most popular and hotly contested new traditions, the war dances. Performances included Maali's 'Men in Black', Uluru's Spartan spirit, the Yarrabee Celtics and Akuna's 'matata'. Ribbons abounded as athletes amazed us on the track and in the field where new events included old-school relays and ultimate dodgeball. After a day of blessed weather and competition, mighty Maali claimed their inaugural win, however all who took part and ventured outside of their comfort zones should proudly claim victories of their own.
