

Year 7-12 Parent-Teacher Interviews

22 April. 2020 03:30 pm – 07:00 pm

We are using Edval Interviews, an online booking system for scheduling interviews. The event has been set up so you will see your child/children's teachers with a concise schedule of interviews. You simply need to select those teachers you wish to see and a schedule of interviews will be generated by the system and sent to you after parent selections have been made.

What to do:

1: Click on the website link or visit <https://my.edval.education/public/interviews/true/1> and enter your webcode provided by the school.

Select your event by clicking on the event box with the event details.

2: Check your child/children's name(s). Click on the 'Add student' link if any of your students are not linked.

3: Confirm your availability to attend the event. Click 'Next' to proceed.

4: Select the teachers that you wish to see. Teachers may have requested an interview with you and will appear in the list on the right.

5: Drag teachers (up/down) in the Teachers you want to see panel to sort by preference order, the top being the one you want to see most.

6: Click 'Next' to proceed.
