ABOUT EMMANUEL CHRISTIAN COMMUNITY SCHOOL

Emmanuel Christian Community School is a place of quality teaching and learning, which honours Christ and prepares students for life. The aim of our school, together with home, church and community, is to train the whole person through instruction, example and experience. We believe this is to be in the light of the teaching of God's Word through Christ-centred education.

Our Early Childhood students are our 'Little Lights' – They are all precious in God's sight. They all have gifts and abilities yet to be discovered.

Our Primary students are our 'Shining Stars' – Their God given gifts and abilities are being expressed as they flourish at Emmanuel.

Our Secondary students are 'Salt and Light' – They are learning what it is to have a Christian worldview and have an influence on the world around them.

The families of all our students are encouraged to be an active part of our community for the benefit of all.

Our students' safety and well-being are a priority. We are committed to safeguarding and promoting the safety, welfare and well-being of children and young people and expect all staff and volunteers to share in this commitment.

Gary Harris
Principal

Early Childhood

This is a precious time for parents and guardians when we nurture our little ones in a play-based learning environment and support them to become familiar with a structured learning environment. Our Kindergarten is split into two groups who attend a full day either Monday, Tuesday and alternate Wednesday's or Thursday, Friday and the alternate Wednesday's.

Kindergarten and full time Pre-Primary students share a nature-based play area.

Years one and two are transitioning years where we integrate students with our Primary Campus and provide further structure and routine while still incorporating play-based learning.

“

Our Early Childhood students are our ‘*Little Lights*’ – They are all precious in God’s sight. They all have gifts and abilities yet to be discovered.

”

Primary Campus

Years 1 – 4 have access to Education Assistants. The campus includes an undercover outdoor assembly area, nature playground, vegetable garden, library and a four-day canteen providing nutritious recess and lunch options.

Each classroom is architecturally designed to feel spacious, allow for natural light and for indoor/outdoor learning with bifold doors leading to the open areas.

Students assemble daily at 8.30am to begin the day with Bible reading and prayer. Whole School Prayer Days bring students K – 12 together.

Specialist teachers provide language, music, sport and science lessons.

“

are our ‘Shining Stars’
– Their God given gifts
and abilities are being
expressed as they
flourish at Emmanuel.**

”

Early Secondary

“

Our Secondary students are ‘Salt and Light’ – They are learning what it is to have a Christian worldview and have an influence on the world around them.

”

Our Secondary Campus includes a brand new, two storey west wing with an innovative design for learning opportunities. This campus includes separate learning areas for home economics and woodwork. Our Secondary campus shares space with the Girrawheen Baptist Church – the school’s founding church.

Secondary 7-10 students are invited to participate in our Soccer Academy which is aimed at ages 9 to 17 years. This academy focusses on skill development, game strategies and incorporating a Christian philosophy on the pitch. Students can also participate in the Cadets WA program where they learn team building skills and relevant skills to join the State Emergency Services of Western Australia.

Senior Secondary

We aim to prepare all our Senior Secondary students for life outside of school. VET and ATAR options are available, depending on the chosen pathway. For students choosing university as their tertiary option, we offer a UniPrep course into Edith Cowan University. We encourage a Christian worldview and culture and emphasise personal responsibility to our Senior Secondary students as they prepare for the world outside of school.

“

Our mission is to provide affordable, Christ-centred education that equips the next generation to know God and serve Him in the community.

”

Soccer Academy

“

Our priority is to help students grow in Christ and provide pastoral care in an environment that develops their football skills at an elite level.

”

At Emmanuel, we run a soccer program both in the Primary and Secondary years. Our priority is to help students grow in Christ and provide pastoral care in an environment that develops their football skills at an elite level.

Emmanuel Christian Community School offer the Soccer Academy program to their students in grade five and up at no cost. The program is currently run by Will Cruz, who is a qualified FFA AFC 'B' licence coach and has experience in developing youth at National Premier Leagues (NPL) level and Kenny Weston, Ex-Ipswich Town and Manchester United academy player.

Students who are accepted into the secondary program (grades 7-10) will have a minimum of 2 contact sessions. All students in the primary years (grades 5 and 6) will have one contact session a fortnight in the soccer program.

Cadets

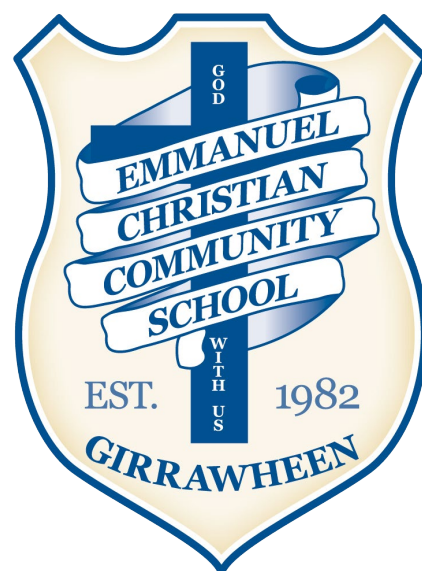

At Emmanuel Christian Community School, students can apply to be part of the Emergency Service Cadets program. In Cadets, students participate in activities that encourage leadership, life skills as well as a sense of community responsibility and service. As we are part of the Emergency Service Cadets our focus and training will be around the following emergency service groups including; The Bushfire Brigade, Fire and Rescue, State Emergency service and the Volunteer Marine Rescue. Camps are also a part of cadets and at least one camp per year will be incorporated. As Cadets is funded by the State Government there is no cost for students to participate in the program and its activities. However, parents of Cadets are encouraged to volunteer time to assist with activities.

The Cadet program starts afterschool at 3:15pm and finishes at 5:15pm every Tuesday.

“

In Cadets, students participate in activities that encourage leadership, life skills as well as a sense of community responsibility and service.
